MEMORANDUM FOR ALMAJCOM/CV
FOA-DRU/CC

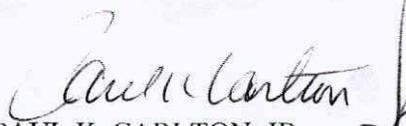

FROM: HQ USAF/SG
110 Luke Avenue, Room 400
Bolling AFB, DC 20332-7050

SUBJECT: Recall of Lensatic Compass, National Stock Number (NSN) 6605-00-151-5337

The USAF Radioisotope Committee, upon recommendation from US Nuclear Regulatory Commission Region IV, is mandating a recall on all lensatic compasses identified by NSN 6605-00-151-5337. A replacement option you may consider is the army recommended replacement lensatic compass, NSN 6605-01-196-6971, which is NRC exempt. Turn in all lensatic compasses, NSN 6605-00-151-5337 no later than 1 Jul 00.

Please coordinate the recycling of all lensatic compasses, NSN 6605-00-151-5337 with 88 ABW/EMB, 5490 Pearson Rd, Wright-Patterson AFB OH 45433-5332, DSN 787-2010x208, Com 937-257-2010x208, embweb@wrigem.wpafb.af.mil, or <http://www.abwem.wpafb.af.mil/em/emb/>.

If you are uncertain if this notification applies to your program or should you have further questions, please contact Ms. Julie Coleman, Chief, Materials Licensing, AFMOA/SGOR, 110 Luke Ave, Room 405, Bolling AFB, DC 20332-7050, DSN 297-4313, Com 202-767-4313.
